## Domino's Partners Foundation Assistance FAQs

**Q: When should I call Partners for assistance?**

**A:** Active Domino's team members should call the Partners Foundation for medical & dental crises including accidents, injuries, illnesses, & surgeries. Death in the immediate family, maternity with complications, fire, flood or hurricane, and domestic violence are other situations the Partners Foundation can consider. Please note Partners CANNOT assist with car repairs or bills related to missed time because of car repairs.

**Q: What does the case process look like when I call Partners for assistance?**

**A:** If a case fits within Foundation guidelines, a Foundation case manager will open a case in the team member's name. Team members can expect:

1. To provide income & expenses
2. To provide documentation to support their case.
3. Employment verification to determine they are active with Domino's
4. A formal case review (done daily) where a case decision will be made
5. To be contacted as soon as a case decision is made
6. Financial assistance will be provided via check(s) made payable to up to 3 different entities
