A SMART WAY TO MANAGE SODIUM

Domino's Smart Slice contains less sodium per slice when compared to similar school lunch pizza products. This allows more meal flexibility when planning your weekly menus. Also, as USDA requirements evolve, you can rest assured knowing that Domino's Smart Slice will always be completely customizable.

- Balance your menu better with pizza that contains only 460 mg of sodium per serving*

- As a main entrée, Domino's Smart Slice is one of the lower sodium items that can be menued
