

DOMINO'S PARTNERS FOUNDATION PAYROLL DEDUCTION FORM

FRANCHISE

WHO WE ARE

The Partners Foundation is a non-profit entity that helps Domino's team members facing hardship or adversity. Situations such as on the job accidents, fire or natural disaster, medical emergencies or the death of an immediate family member often create financial hardship for team members.

GETTING HELP

Team members in need of assistance contact the Foundation to discuss their situation with a case manager; all cases are treated with confidentiality. If Partners is able to provide financial assistance, the assistance is a gift. It is not a loan and therefore does not require repayment.

TO SUPPORT

80% or more of the funding we use to assist team members comes from company payroll deduction programs. Additional funding comes from franchisee gifts and fundraising initiatives.
